

**Job Service Employers' Committee**

February 1, 2014

Dear High School Senior,

The Job Service Employers' Committee (JSEC) invites you to apply for a scholarship that would help fund your future education. The labor market is more demanding than ever for you. Jobs are becoming more and more competitive. JSEC has developed a scholarship program to encourage you to achieve your goals and ready yourself to meet that challenge. The JSEC scholarship can be used at all different schools of higher learning, including a vo-tech school, a two-year program, or a four-year university program. The scholarship may be used for training in or out of the state of Montana.

To be considered for the scholarship, each candidate must complete the following:

- Cover letter
- Signed JSEC Application
- Letters of Reference
- Written composition addressing the career of your choice, including the reasons why you have chosen that field and how you plan to pursue it. The career composition should state, what it is you want to study, why and how you plan to go about it. Give the committee details of how you plan to get from Step 1 to Step 2, etc. Do you also have back-up plan if needed?

A sub-committee of JSEC Members will score application materials using a 15-point system with five categories as listed below; maximum score for each category is shown in parentheses.

- career composition (5 points)
- financial need (3 points)
- community involvement (2 points)
- letters of recommendation (3 points)
- grade point average (2 points)

The applicants with the highest scores will be asked to interview with the sub-committee to make the final scholarship awards. The winner will be selected by the end of March and entered into the state scholarship sponsored by the Montana State Employers' Committee. All candidates will be notified.

The JSEC Scholarship Application Form is attached. **Deliver your entire package to the Glasgow Job Service office, 74 4<sup>th</sup> Street North, Glasgow, MT 59230, by 5:00 p.m. Monday, March 3, 2014.**

Application materials postmarked on March 3 will also be accepted. We look forward to seeing your application. Good luck!
